

BLUE ROCK

2019 Baby Blue Sonoma County

Winemaker's Tasting Notes

There are moments when the deep ruby color of a red wine is about the most satisfying experience we can have, then of course we smell and taste the wine and things somehow manage to get even better! Our 2019 Baby Blue Red begins with polished aromas of blackberry, dark currant, pencil shavings, hints of peppercorn, tilled earth, cedar and vanilla bean that sing of an absolutely brilliant young wine. Not to be outdone, rich flavors of both black and red fruits, savory spices, hints of black tea and espresso, and just the right touch of toasty oak in the background suggest this beauty will enjoy a long and celebrated evolution. Altogether more sophisticated and impressive than its "Baby" name might suggest, we may have outdone ourselves on this one!

Food Affinities

The most versatile of our estate wines, you can pair Baby Blue with just about any meal designed for a Bordeaux-inspired red. Grilled beef, lamb or pork are easy suggestions, but duck or chicken will do just as well. Hard cheeses, nuts and dried fruits will also go nicely if you are just snacking and sipping. But honestly, sometimes you just want a burger and this wine plays that game too. So listen to your desire and follow it wherever it takes you!

Ageability

As always, Baby Blue is intended for earlier drinking pleasure. That said, the 2019 is perhaps our most pedigreed version in a long while and will continue to age nicely for another 10+ years. Yet why wait? We certainly won't! However, it's comforting to know that this fine wine will stand the test of time if a bottle or two happens to get lost in the cellar.
